

24-08

And now for something completely different

Written Stage Briefing

And Now for Something Completely Different is a 24 round, Comstock course. There are 12 USPSA targets.

Start Position: Completely outside the shooting area, toes touching the rear fault line. Handgun loaded and holstered, wrists below belt. PCC loaded, safety applied, stock on belt.

Procedure: Upon audible start signal, engage targets from within the shooting area.

Build Notes:

- The red line represents the center line
- Set the downrange wall labeled W4 first, all other walls and fault lines are squared off from this wall section.
- The walls are all set 8ft off from each other and set at right angles
- Target Height is 5 ft to top of the head

Hard cover example

No shoot is 6 inches down from top of A zone
